Time is flowing like a river

Time beckoning me

Who knows when we shall meet again  
If ever

But time keeps flowing like a river  
To the sea

Goodbye My Love -  
Maybe forever

Good-bye my friend

The time waits for me

Who knows when we shall meet again  
If ever

But time keeps flowing like a river  
To the sea To the sea

And it's gone forever - gone forever  
Gone forever more.

## Honor Students

The highest percentage of honor graduates in several years is being graduated this year. An even third of the 39 members of this year's class qualify for the honor by having a seven-semester grade average of "90" or better. We commend these 13 students for this accomplishment. We are proud of them and wish them much success and happiness.

## ONE LAST WALK

Some left and some stayed behind.  
 It was the last walk for 39 seniors.  
 For others, there was one, two, or three more years left of high school.  
 But no matter what your status,  
 Each Coalgate Wildcat had finished the 1984-85 school year.  
 Each had done his job,  
 Sometimes great and sometimes not so great.  
 The last walk was wrapped up and it was  
 Wrapped up with style!  
 CONGRATULATIONS SENIORS!
